Toms River, N.J., Oct. 17 .- The jury in the case of Dr. frank Brouwer, charged with the murder of his wife, returned : verdict of not filty at 5:45 o'clock this afternoon, therey fulfilling his prophecy of last Sundal afternoon, that before the next Sabbah day came he would be charged him with the murder of his wife, Republican county committee,

The case, which had run ten days, was given to the jury at 5 o'clock, and the twelve men who had weighed all the evi dence, lost to time in putting their cor viction of the guiltlessness of the a cused, into a formal verdict of acquittal.

The pubic generally have been con fident of in acquittal in the case since last night when three doctors, all wel Jersey, svore positively that it was ptomaine poisoning, and not arsenic, strychning, or ground glass, that killed Mrs. Brower. Their evidence was given in such a straightforward, matter-of-fact manner that it naturally impressed the jury, and all efforts of the prosecution to fill the missing gaps in the chain Brouwer failed utterly

Receives Many Congratulations. Immediately after the verdict was rendered Dr. Brouwer was discharged. He shook hands with and personally thanked every member of the jury, and then went to the home of his counsel, where he held a levee for a short time on both sides, and the charging of the jury by Judge Henderickson. The dramatic feature was the argument for the defense by Attorney Wilson, who, after eloquent plea by begging:
